

```
1: #include<stdio.h>
2: int main()
3: {
4:     int num=5;
5:     while(num>0)
6:     {
7:         if(num==3)
8:             break;
9:         printf("%d",num);
10:        num--;
11:    }
12: }
```
