

```
1: #include<stdio.h>
2: int main()
3: {
4:     int n;
5:     printf("Enter a number:");
6:     scanf("%d",&n);
7:     for( int i=1;i<=10;i++)
8:     {
9:         printf("%d * %d = %d\n",n,i,n*i);
10:    }
11:    return 0;
12: }
```
